What's all this?

The menintanks.us website was created to inform the target audience about the official product launch of Men in Tanks© **board game**, as well as about the related prize game and other discounts.

What discount?

The owner of the first 1000 email addresses registered before the social campaign will get a **guaranteed** discount on the price of the product as part of a pre-purchase campaign, so you can get this exclusive box at an exceptional price. What makes it exclusive? The box put together for the campaign includes several extras that the later commercial version will not! More details will be available on the campaign page 😊

May I win?

You can get it **easily!** There is a simple way to win the full game: Register and invite your friends too. More details can be found in the website at menu "Win the Box!".

Knock-Knock

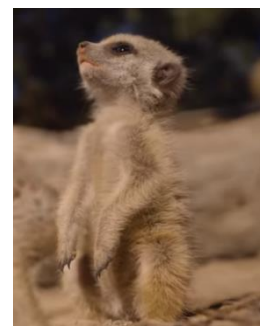

Contact will normally be made by email after pre-registration. However, participants in the prize game can also be harassed on social media sites. In a negligible proportion, we might search you with smoke signals or **witches** 😊

No one was

Because we are human and sometimes make mistakes, we consider it important, beyond mutual trust and understanding, to carry over this longer section elsewhere: No one takes any responsibility for the information posted on the website, we do not recommend viewing it to any age group, and we reserve the right to make changes. On the other hand, we collect garbage selectively and **do not eat whales!**

Be gentle

Visitors and registered users of the site are expected to communicate with each other, with us - the Men in Tanks© team - and with all our relatives in a normal tone and attitude. Anyone who writes to us or about us is asked to do so with the gentleness and **positive attitude** of the attached meerkat puppy 😊

Many Tanks!
